**Subject:** Community Workshop Scheduled - Come Share YOUR Vision!

**Dayton, OH** - The Miami Valley Regional Planning Commission (MVRPC) will host community workshops to solicit public input on the future of land development in the Miami Valley Region.

GOING PLACES – An Integrated Land Use Vision for the Miami Valley Region is a 4-year regional land use planning initiative designed to bring people together to build a clear and shared future land use framework to guide development in the Miami Valley Region.

Following the 3-phase process, the current effort is focused on collecting information from people who live and work in the Region about what they envision for the future of the Region.

Do you have a vision for the Miami Valley Region in the year 2040? YOUR ideas and innovations are needed to help make the Miami Valley Region a better place to live, work and play! Come and join the Going Places discussion at the workshop in your area to share YOUR vision!
