

Miami Valley Land Suitability Assessment - Built Environment Factors

2008

Miami Valley Regional Planning Commission

Table of Contents

Miami Valley Suitability Assessment - Built Environment

Table of Contents.....	i
List of Figures.....	ii
List of Tables.....	iii
Introduction.....	1
Methodology.....	2
Airport Noise.....	3
Educational Amenities.....	4
Fire Protection Services.....	5
Industrial Clusters.....	6
Job Clusters.....	7
Major Thoroughfare Access.....	8
Other Amenities.....	9
Potential Environmental Hazards.....	10
Public Transportation Services.....	11
Public Wastewater Services.....	12
Public Water Services.....	13
Recreational Amenities.....	14
Restricted Development Lands.....	15
Retail Clusters.....	16
Transportation Network Connectivity.....	17
Built Environment Residential Suitability Measure.....	18
Built Environment Non-Residential Suitability Measure.....	19
Built Environment Suitability Comparative Analysis.....	20
Conclusion / References.....	22
Appendix A: Residential Land Suitability Scoring System.....	23
Appendix B: Non-Residential Land Suitability Scoring System.....	24

For more information

Please visit www.mvrpc.org for a copy of this report. Questions or comments should be directed to Martin Kim, Director of Regional Planning at mkim@mvrpc.org.

MVRPC is a voluntary association of governmental and non-governmental organizations serving as a forum and resource where regional partners identify priorities, develop public policy, and implement strategies to improve the quality of life and economic vitality throughout the Miami Valley Region.

Miami Valley Land Suitability Assessment - Built Environment Factors

Figure 1	Study Area	1			
Figure 2	Built Environment Factors.....	2	PWWS.1	Regional Land by Public Wastewater Services Classification	12
Figure 3	Summing Suitability Scores	2	PWWS.3	County Land by Public Wastewater Services Classification	12
			PWWS.4	Regional Distribution of Land by Public Wastewater Services Classification	12
AN.1	Regional Land by Airport Noise Classification	3	PWS.1	Regional Land by Public Water Services Classification.....	13
AN.3	County Land by Airport Noise Classification	3	PWS.3	County Land by Public Water Services Classification	13
AN.4	Regional Distribution of Land by Airport Noise Classification	3	PWS.4	Regional Distribution of Land by Public Water Services Classification.....	13
EA.1	Regional Land by Access to Educational Amenities Classification	4	RA.1	Regional Land by Access to Recreational Amenities Classification	14
EA.3	County Land by Access to Educational Amenities Classification.....	4	RA.3	County Land by Access to Recreational Amenities Classification	14
EA.4	Regional Distribution of Land by Access to Educational Amenities Classification	4	RA.4	Regional Distribution of Land by Access to Recreational Amenities Classification	14
FPS.1	Regional Land by Fire Protection Services Classification.....	5	RD.1	Regional Land by Restricted Development Classification	15
FPS.3	County Land by Fire Protection Services Classification	5	RD.3	County Land by Restricted Development Classification	15
FPS.4	Regional Distribution of Land by Fire Protection Services Classification.....	5	RD.4	Regional Distribution of Land by Restricted Development Classification	15
IC.1	Regional Land by Industrial Clusters Classification	6	RC.1	Regional Land by Access to Retail Clusters Classification	16
IC.3	County Land by Industrial Clusters Classification.....	6	RC.3	County Land by Access to Retail Clusters Classification.....	16
IC.4	Regional Distribution of Land by Industrial Clusters Classification	6	RC.4	Regional Distribution of Land by Access to Retail Clusters Classification	16

MTA.3	County Land by Major Thoroughfare Access Classification.....	8	LSM.2	Regional Land by Residential Development Potential Classification.....	18
MTA.4	Regional Distribution of Land by Major Thoroughfare Access Classification.....	8	LSM.4	County Land by Residential Development Potential Classification	18
OA.1	Regional Land by Access to Other Amenities Classification.....	9	LSM.5	Built Environment Non-Residential Suitability Composite Map.....	19
OA.3	County Land by Access to Other Amenities Classification.....	9	LSM.6	Regional Land by Non-Residential Development Potential Classification	19
OA.4	Regional Distribution of Land by Access to Other Amenities Classification.....	9	LSM.8	County Land by Non-Residential Development Potential Classification.....	19
PEH.1	Regional Land by Potential Environmental Hazard Classification	10	CA.1	Residential and Non-Residential Land Development Suitability: Built Environment Factors.....	20
PEH.3	County Land by Potential Environmental Hazards Classification	10	CA.2	Regional Land by Residential and Non-Residential Land Development Suitability Classification	20
PEH.4	Regional Distribution of Land by Potential Environmental Hazard Classification	10	CA.3	County Land by Residential Land Development Suitability Classification	20
			CA.4	County Land by Non-Residential Land Development Suitability Classification	20
PTS.1	Regional Land by Access to Public Transportation Services Classification.....	11	CA.5	Existing and Future Development Map.....	21
PTS.3	County Land by Access to Public Transportation Services Classification.....	11	CA.6	Lands Planned for Future Development overlayed with Residential Suitability Composite Map .	21
PTS.4	Regional Distribution of Land by Access to Public Transportation Services Classification	11	CA.7	Lands Planned for Future Dev overlayed with Non-Residential Suitability Composite Map	21
			CA.8	Lands Planned for Future Dev overlayed with Resid and Non-Resid Land Dev Suitability	21

List of Tables

Miami Valley Suitability Assessment - Built Environment

AN.2	County Share of Land by Airport Noise Classification	3
EA.2	County Share of Land by Access to Educational Amenities Classification	4
FPS.2	County Share of Land by Fire Protection Services Classification	5
IC.2	County Share of Land by Industrial Clusters Classification	6
JC.2	County Share of Land by Job Clusters Classification	7
MTA.2	County Share of Land by Major Thoroughfare Access Classification	8
OA.2	County Share of Land by Access to Other Amenities Classification	9
PEH.2	County Share of Land by Potential Environmental Hazard Classification	10
PTS.2	County Share of Land by Access to Public Transportation Services Classification	11
PWWS.2	County Share of Land by Public Wastewater Services Classification	12
PWS.2	County Share of Land by Public Water Services Classification	13
RA.2	County Share of Land by Access to Recreational Amenities Classification	14
RD.2	County Share of Land by Restricted Development Classification	15
RC.2	County Share of Land by Access to Retail Clusters Classification	16
TN.2	County Share of Land by Transportation Network Connectivity Classification	17
LSM.3	County Share of Land by Residential Development Potential Classification	18
LSM.7	County Share of Land by Non-Residential Development Potential Classification	19
